

MPRF (Micro-Processing Research Facility) ACCESS

<http://jiam.utk.edu/core-facilities/mprf/>

You can turn in the signed form via email or in person to Dr. Eric Lukosi, elukosi@utk.edu. He will notify you by email with an appointment date and time to take the Safety Training Walk-through. Contact him to reschedule if you can't make the emailed appointment time. Before coming to the Safety Training Walk-through, he will send you the Safety Manual and Operating Procedures.

You must study it carefully. You will need to print the last page, sign it. It states that you agree to follow all rules & procedures. Turn it in to Dr. Lukosi when you arrive for the walk-through training session.

After you have:

- read the Safety Manual;
- turned in the agreement to following the rules
- completed the Safety Training Walk-through

You're ready to use the lab.
